Report of Principal and School Improvement Council

Harbor View Elementary continues the quest for excellence in academics, citizenship, and educational opportunities for all students, recognizing the learning differences that exist within our diverse student body. We hold high expectations for our students as we encourage them not only to live up to their potential academically but also personally, with healthy choices, social awareness, leadership qualities, and values contributing to a “moral compass” that guides the Harbor View experience.

The faculty and staff at Harbor View continue to provide excellent instruction, and are committed to the success of Harbor View students. HVES, an Excellent rated school, has once again been named a Palmetto Gold Award Winning school by the State Department of Education based on the general performance of the 2013 Palmetto Assessment of State Standards (PASS). In addition, Harbor View received a Palmetto Silver Award for closing the achievement gap! We are very proud of the dedication of Harbor View’s faculty, staff, students and parents to maintain excellence in all areas.

In addition to our focus on academics, Harbor View is committed to a wellness program that is supported by faculty and parents and makes healthy choices a part of our everyday lesson to students. Due to the hard work of our fantastic wellness committee, Harbor View received a CCSD grant to purchase kinesthetic desks for classrooms from kindergarten to fourth grade. To support the efforts of our wellness program, HVES started a running club, HVES XC, which also provided students with the opportunity to compete in the Hershey’s Track and Field Meet at the local and district levels. Our students also participated in the CCSD Wonderfest Kids Run and the Cooper River Bridge Fun Run.

At HVES, we have school pride but also strive to support the individual student. We celebrate the talents of our students with a school-wide talent show. We look beyond IEPs and 504 plans to recognize the special needs that a student might have. Some students benefit from different seating arrangements during testing, sitting on a ball rather than a seat, for example, and some students require extra time in the computer lab with assistive technology in key subjects. As we move toward Vision 2016, educational programs proven to be effective instruments in early intervention, tutoring and rehabilitation will continue to be invaluable.

We also hold small group discussions with students and our guidance counselor on subjects such as bullying and conflict resolution. These combined efforts embolden students to strive towards personal and academic goals and to regard the school as a support system and a resource. The personal attention and care of our teachers, which is a recognized culture at HVES, is an important part of our students’ success.

The continued support of our students by the parents, teachers, and community will ensure that Harbor View Elementary continues to be an excellent rated school and an excellent place for all of our individual students. We are proud of our school!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	99.3
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Harbor View Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
